Walk-in-interview for one position of Junior Research Fellow (JRF) under DBT funded Project

The interested and eligible candidates are invited for a walk-in-interview to be held on 28th of November, 2026 at 11 AM in the Department of Zoology, University of Kashmir, Srinagar for one position of **Junior Research Fellow (JRF)** vacant in a research project entitled "**Replacement of fish oil and evaluation of dietary fat-soluble vitamin requirement of rainbow trout, *Oncorhynchys mykiss* (Walbaum 1792) with a view to develop nutritionally balanced cost effective feeds for uplifting the trout farming in J&K**" sanctioned by the Department of Biotechnology (DBT), Govt. of India to the undersigned. The position is initially for a period of one year extendable for another one year or upto the completion of the project, depending upon the performance and conduct of the candidate. **The position is purely temporary and is co-terminus with the project.** The desirous candidates must bring a duly signed application for the aforementioned position, along with the hard copies of their brief CV mentioning details (name, age, working contact number, e-mail, qualification certificates, publications if any, etc.) and other self-attested relevant documents on the day of the interview. They are also required to produce the original documents in support of their qualifications, percentage of marks, NET qualification and any relevant experience in the field. **The requisite terms and conditions, qualification, remuneration, etc. for the same are given below:**

S. No.	Description of post/ Remuneration	No. of post	Essential Qualification	Desirable qualification
01.	**Junior Research Fellow (JRF)** Rs.37000/- + HRA @ 18% per month for first two years and Rs.42000/- + HRA @ 18% per month for third year, subject to the guide lines of the funding agency as well as performance and experience of the candidate.	01	M.Sc in Zoology with specialization in Fishery Science (55%) or Master in Fisheries Science (M.FSc) with at least 55% of marks.	Candidates who have qualified CSIR-UGC NET or equivalent exam will be given preference. Candidate with expertise in following are strongly encouraged to apply: Handling and rearing of fish. Formulation of fish feed and conduct of fish feeding trials. Past experience, if any will also be given preference. Data analysis and hemato-biochemical techniques in fisheries and related fields. Statistical analysis and various physico-chemical aspects of water bodies.

Note: The emoluments mentioned above would be contingent upon the guidelines/norms of the funding agency notified from time to time. No TA/DA shall be paid for appearing in the interview.
